

Greetings, SAINTS of God!

I'm thrilled, enthusiastic, yes, and excited about how God is using our Coaches' Fellowship study book by Rod Olson, Coaching for Jesus, Legacy Builders Series.

My soul (as my old pastor used to say), the Holy Spirit is working His ministry as we take time to deal with the real issues of life. For those who DON'T HAVE THE BOOKLET, call me and we'll get you one. Here's a foundational question from the first lesson titled "What's in Your Box?"

What is the #1 central motivating factor in your life? Bob Buford shares that, from this (answer), all secondary loyalties derive their meaning or place of importance in your life. This ONE loyalty will be the FOUNDATION of your life and it will affect ALL other areas of your life – good and bad!

We are NOT blowing through this lesson because it provides tremendous opportunities to deal with TRUTH. Where are we ... REALLY? This reveals the true CORE VALUES we live by. NO, it doesn't mean we've arrived. We are in process. Honest answers we've shared in our meetings have been pride, success, people-pleasing, fear, loss of status, unbelief, etc.

Matthew 6:24: *No one (and that means NONE of us) can serve two masters; for either he'll hate the one and love the other, or else he'll be LOYAL to the one and despise the other. YOU (and I) CANNOT serve God and mammon (riches).*

What do you want to be rich in today? Wins? Money? Status? Or the eternal things, souls going to heaven, kids being encouraged and built up, fellow coaches being exhorted to raise the bar in their personal, family, and professional lives?

*Don't forget the things which are seen are temporary, but the things which are not seen are eternal.* II Corinthians 4:18

Warren Wiersbe said, "There are NO TRIVIAL things in the Christian life."

I pray that you will NOT have a good day (as we say to one another), but rather you will MAKE it a great day!

Are you seeing the unseen?

Join us for proactive discussions and life-changing help and accountability.

Onward and upward,

Nelson

P.S. I'd appreciate your prayers for a couple of family situations I'm dealing with.
